ADDENDUM NUMBER 1

City of Norfolk RFQ No. 5017-0-2017/JP is amended as follows:

1. Reference page 1, RFQ Due Date and Time, and all references thereto:

Delete: 4/08/2016 @ 2:00PM; and
Replace with: **4/21/16 @2:00PM**

2. Reference Page 4, Section 2. Operating Criteria, and all references thereto:

Add: 2.10 The City expects this service to be completed within 30 days.

3. Reference Page 3, Section 1. Examination of Sites, and all references thereto:

Add: 1.4: Bidders who attended the mandatory site visits will be allowed an opportunity to test the surface area to be pressure washed at ground level. Bidders are not required to test the surface area to be considered for award. Joseph Patterson, Buyer II will contact each bidder listed on the site visit attendance sheets to schedule an opportunity for testing. Time slots for testing are only available for the times provided by the City. Bidders who schedule a testing time and date will be allotted 30 minutes to prepare, test, and clean their testing site. Water spigots attached to the Scope Arena will be available as a water source for testing the surface area. Potential bidders should bring sufficient hosing to reach testing sites around the scope arena.

4. The attendance sheet for both site visits is attached to this Addendum.

Questions received from mandatory site visits:

1. Question: Will the successful bidder be able to use existing fire hydrants as a water source?

Answer: No. Bidders will only be able to use water spigots available throughout the Scope Arena.

2. Question: What PSI should be used to complete the service?

Answer: The PSI level shall be determined by the successful bidder and shall meet all of the specifications required in the Scope of Work. PSI levels shall not damage the hardscape in anyway and are subject to approval by the City Project Officer.

The balance of the solicitation remains unchanged.
